

LOLA — Knots Reference

Core offshore & bottom knots. Full animated how-to at animatedknots.com.

Palomar

Strong & simple - braid to hook or swivel.

Double ~6 in of line, pass the loop through the eye, tie a loose overhand, pass the hook/swivel through the loop, wet and cinch.

Improved Clinch

Mono to hook/swivel (lighter line).

Thread the eye, 5-7 wraps up the standing line, pass the tag back through the small loop at the eye then the big loop, wet and cinch.

San Diego Jam

Line to hook/jig for tuna.

Through the eye, wrap up the doubled line 7 times, feed the tag back down through the wraps, wet and cinch.

Double Uni

Join braid to the mono top shot.

Overlap the lines, tie a uni on each (braid ~6 wraps, mono ~4), wet and slide the two unis together.

► animatedknots.com/uni-knot

FG Knot

Slim braid-to-leader for jigging/popping.

Tension the leader, wrap braid over it ~20 alternating turns, lock with half hitches, trim.

Bimini Twist

Double-line loop for big-game (top shot to leader).

~20 twists in a doubled line, spread hands to roll the twists back over themselves, finish with half hitches and a lock.

Dropper Loop

Stand-out loop for bottom rigs (fluke/sea bass).

Form a loop, pass it through the middle 5-6 times, push the loop out through the opening, wet and pull tight.

Perfection Loop

Clean fixed loop in a leader.

Make a loop, then a second smaller loop in front, pass the first loop through the second, wet and cinch.

Haywire Twist

Single-strand wire for wahoo.

Cross the wire into a loop, 4-5 neat twists, then 4-5 barrel wraps, break off the tag with a fold (do not cut).
